Calling All Coaches!

One of the downsides of being a season ticket holder to the Buffalo Bills (and notice, I said **one** downside—we all know there are **many**) is that you get forced into purchasing tickets to the preseason games. Watching NFL preseason football is like watching 5 year-olds play soccer. A bunch of people run up and down a field chasing a ball, but as time runs out it's unclear if any one is the winner (and if no one wins, then who cares, right?). Well, as a season ticket holder I suffered through a preseason game this year, perhaps in training for Quinn's soccer days, but it wasn't until halftime that I saw something worth seeing.

As the Bills and Vikings ran to the locker room, 50 first through third grade boys took the field for the closest thing to football I had seen yet. Each Pee Wee team took turns starting drives on the 25-yard line, and headed for the end zone. I can't imagine how excited the little players were to score, but I did get a sense that the crowd liked seeing a home team at Ralph Wilson find the end zone. But what stood out most to me about the halftime game was not the little players, but the host of coaches standing around, instructing, and cheering each child on.

For every 2 children there was a dad on the side. When the plays ended they picked the children back up. Whether they scored the latest touchdown or were trampled over on the way there, these coaches patted each child on the back and got them ready for the next play. They gave them tips on how to run, who to block, and told them what plays were coming up next. They were totally invested in the players' experience.

This month we start up our

Sunday School again. With it, our Wednesday night confirmation program kicks back off for our 7th-9th graders. We have another year of 2nd graders learning about communion, 3rd graders walking through the entire Bible, and 4th graders learning the church year. As you read this, preparations are being made for the youngest among us to learn and grow in their faith and in the love of God. And here's my plea: **Remember that football fields aren't the only places our young people need coaches.**

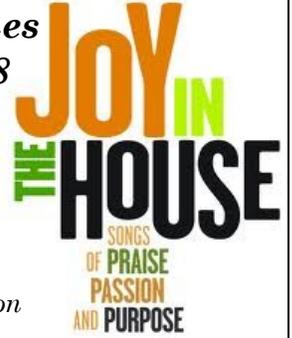

As our young people gather to sing songs and hear the story of God's grace, we must remember that it is not enough to simply throw it at them and expect it to stick. After all, I don't think it's a coincidence the coaches at that Pee Wee game kept instructing the kids during the game, and didn't simply leave them to their own devices. So too, this is the time for us to recommit ourselves to the promises we made when these children were baptized.

- When as **parents** you said, "I will help my child grow in the Christian life and faith."
- When as **sponsors** or **Godparents** you said, "I will help them live in the promise of baptism and in communion with the church."
- And when as **members of this church** you said, "I will support

and pray for them in their new life in Christ.”

Calling All Coaches!

(continued from Pastor Shawn)

The Bills may now be preparing to take the field and the Pee Wee game is long done, but now is the time for us to start coaching, to start instructing, to start supporting, and to start cheering our young people on. Because just as we want them to have fun, play as a team, and learn discipline, so too we want them to trust God, proclaim Christ through their words and the deeds, care for others and the world God made, and work for justice and peace. But they can't do that on their own.

So may God bless you in this new Sunday School year.

May God use your long and deep faith journey as an inspiration to others in our faith family.

May God use your relationship as parent, grandparent, or caregiver to nurture even more of his love in your lives.

May God make his love known in our young people.

And in so doing, may God's love be known in you.

Hopeful,

Heeding the Call to Care Introducing Pastor Bob Zimmerman

Have you ever asked a question you already knew the answer to? Ever foolish enough to try it with God? In the book of Genesis we have the story of Adam and Eve, but we also get the story of their sons Cain and Abel. In jealousy Cain killed his brother Abel, and when God came looking for Abel later Cain asked, "I'm not my brother's keeper, am I?" He thought he knew the answer. He thought he was off the hook. He was wrong.

We are our brothers' and sisters' keeper. God gave us to one another as companions in our pilgrimage on earth. God calls us to care for one another, and God promises that when we do our days will be long and good.

The church council is excited to welcome Pastor Bob Zimmerman to our staff at here at Hope as Care Pastor. Pastor Zimmerman will be providing and coordinating our congregation's work in caring and keeping our brothers and sisters in Christ. He comes to us from the United Methodist Church where he has pastored for the last 18 years in Bethany, Protection, and Holland. He received his Master of Divinity from United Theological Seminary, and is currently enrolled at Ashland Theological Seminary where he is working on his Doctor of Ministry. He brings a depth of knowledge and a Christ-centered capacity to care.

We hope you will welcome Pastor Zimmerman warmly to God's family at this place, and share with him your desire to care for others or need of care. Church council does ask that you respect Pastor Zimmerman's new role here, and leave your other pastoral requests and needs for Pastor Shawn. After all, we do want him to enjoy some aspect of his recent retirement!

We welcome Pastor Zimmerman giving thanks to God for his gifts and the new and wonderful ways he will add to our pastoral care here at Hope!

You Too Can Heed the Call to Care!

Have you been the recipient of care lately, and long to pass it on?

Find yourself with a little extra time on your hands,
and want to spend it spreading joy and life to someone else?

Do you have an extra seat in your car on your way to church,
or a little freetime to run an errand in the afternoon?

However you feel called to care, we want to put your longing to God's work.

On Thursday, September 19 those interested in forming a Care Team will join the Care Givers Support Group and Pastor Zimmerman for an introductory meeting and time of fellowship. Dinner will begin at 6:00pm. Please bring a side or simply be our guest. Contact the church office for more information.

Opportunities to Give

Church Missions

God calls us as his people to have generous hearts. The Bible tells us that we should strive to give away 10% of our income in an act of faith that says, 1. This comes from God. And 2. God will provide it again. As a church we strive to participate in this behavior by giving away 10% of our budget to those in need. We do this through community organizations (i.e. Arcade Fire Department), Church Charities (i.e. Campus Ministry of Buffalo, Lutheran Charities, Lake Chautauqua Lutheran Center), and by giving money to the greater church (i.e. in New York State, in America, around the world). Unfortunately, this is often the last check we write. If you feel called to help make this first, we invite you to consider making a donation to our mission fund. This money will be used locally and internationally to further God's work while we boldly proclaim, "This came from God, and returns to his work." Thank you for your faithful support.

Welcome to Hope

Building Our Mother's Portico

Thanks to several generous donations and the hard work and planning of our building and grounds committee, Hope is ready to break ground on Phase II of our effort to increase our curb appeal and hospitality. The permits have been attained and soon the holes will be dug, but this is where we need your help. We are looking for volunteers to help with the rough framing, electrical, and finish work with the wood, siding, and stone. If you are interested in helping please contact the church office (585) 492-2530 or Missy Pleace (716) 492-5654.

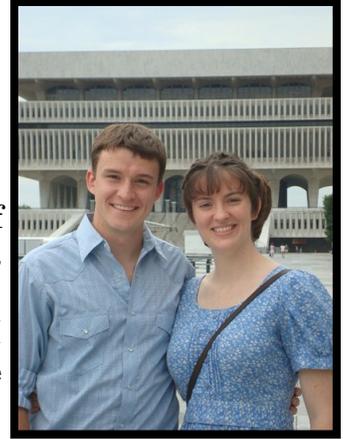

Thank You!

For yet another summer our grounds have been kept immaculately trimmed and maintained. While we certainly thank all who helped get our grounds in good shape, a most sincere and heartfelt thanks goes to Al Boldt for working week in and out keeping our lawn looking its best. Thanks be to God for you, Al!

New Year. New Beginning.

From Jim Vitale
Youth Director

This past Monday, I experienced my 17th first day of school. Each one of them has been unique in its own way, but this one was special because it was my last, first day of college. To be honest it was a bit of a melancholy experience for me. As I watched all the new Freshman wander to the first chapel of the year, I felt as though it was just yesterday I was doing the same. It's funny how quickly time flies. With each passing year my number of "first days" is quickly running out.

You see the unique thing about the first day of school is that it is always a chance for a new start. You have had a summer to rest, a break from your normal routine, and now you have a chance to get back in the game recharged and ready to give it your best shot. Any of the difficulties of the previous year are left behind and you prepare yourself for the new excitement of the year to come. You know it will be challenging; you know it may be tough; but you know it will also be exciting. Because ultimately, you have a chance at a fresh start.

I think we take this for granted. I know I have. Last Monday, I had a chance to restart. To build off of my last three years at school, but to make my Senior year a unique experience among them. I do not plan to let that opportunity slide and I hope you do not let it slide either. It may seem like you will be in school forever, but you won't. And I imagine there will come a day when you look back and wish you had a "first day of school" where you could restart and try it all over again.

So as the year progresses, remember this: you have a God who is all about second chances. And with each new first day of school, you have another chance to restart, you have another chance to try again, you have another chance to give it your very best. Pray that He will transform you, not only into the best student you can be, but also into the best follower of Jesus you can be; because it is only through Him that we can accomplish the work of His kingdom.

One year from now, I imagine I will be standing on the sidewalk of a campus somewhere, a first year student wondering what God's plans for me will be in Seminary. That will be my last, first day of my first year of school. I hope I pray then what I pray now; I hope you pray it with me too; that God would guide us, bless us, hold us, love us, teach us, challenge us, and strengthen us in this new year, in this fresh start.

In His holy and precious name.
Amen.

Nursery School Resumes

After a summer of revamping our room and regaining our focus our Nursery School is set to resume this month with a new group of students and a new sense of purpose! Orientation will take place on Saturday, September 7th at 10:00am and Monday, September 9th is the first day of class. Please pray for Ms. Chris and Ms. Karen as they anticipate this new school year. We only have 3 open spots left, so spread the word to your 3 and 4 year-old friends today.

THANK YOU, THANK YOU, THANK YOU...to EVERYONE who participated in ANY way to putting together our new room! The room looks amazing & we are so thankful to everyone who helped to make it happen!

We are looking forward to another great school year ! YOU are always welcome to come in and volunteer for a day, an hour, or maybe just to read a story! We'd love to have you.

If you feel called to help the Preschool, but are unable to volunteer, consider making a donation to our financial assistance program. We often have families who want to send their children to Hope, but who can't quite make the \$90 monthly tuition payments (\$810 for the year) . We have always made it work for those families, but it often leaves us struggling financially. If you choose to make a donation to this program, please place it in an envelope labeled "Preschool" and place it in the offering plate. You can also drop donations off in the church office or mail them.

Thank you for your continued support of this program and your faith in me as your director! When people hear that I teach preschool 30 miles from my home they are shocked & ask why. My answer is simple, "I love what I do, where I do it & the people I'm surrounded by!"

Blessings,
Chris Kipfer, Director/ Teacher
